

9 SYSTEM REPORTS

The following is a list of reports that will be generated by the OPM system, based on the information that is entered on the referral detail page and case management page. All reports can be generated using different criteria such as county, region, worker, etc. Because supervisors and Central Office staff will be the workers requesting these reports, details on how to request and generate these reports is covered separately. If you have any requests or needs regarding these reports, please contact [Michael Hagenlock](#).
